GENERAL INFORMATION

This herd was established ten years ago with the purchase of some of the good cows from the J. H. Tolton Dispersal. Cows with the best of Scotch Shorthorn pedigrees were obtained from the late Jim Read, Virden, and Searle Farms, East Selkirk. Then, with the decision made to breed Polled Shorthorns, a polled cow with a heifer calf was bought from C. C. and N. C. Brown, Hamiota, and two polled heifers from Hugh Kidd, Vandura. Three polled bulls have been used in a row, the first being BIRMINGHAM AUGUSTA X by FASCINATOR STANDARD X from the famous Birmingham herd of B. W. Franklin, Kingston, Ont. He was followed by GRASSWOLD MAX BOMBARDIER X, a grandson of KILLEARN MAX 5th, bred by H. G. Hymas, Rosebud, Alta. His pedigree is shown as reference sire. The third polled bull, the present herd sire, selling as Lot 1, is OAKLYNN REGENT X from the good Polled herd of Harvey Wilson, Glenora, Man. Check the footnotes on this bull. The polled daughters of these bulls have all been retained together with the best horned cows. They are thick, deep-bodied, breedy cattle as indicated in the pictures. The decision to disperse provides a buying opportunity for those wishing to establish or increase their herds.

HEALTH—The herd is fully accredited for T.B. and the younger cattle are all Bang's Vaccinated. All cattle over 30 months of age will be Negative to the Blood Test.

GUARANTEE—The cattle are in good health. Any known defects will be called to the attention of the buyers sale day. Since this is a dispersion sale everything is being sold at the halter and without further guarantee.

MAIL, PHONE OR WIRE BIDS—Those who cannot attend the sale may send their bids to the owner, auctioneer, or any of the representatives.

SHIPPING—Cattle will be loaded free of charge either C.N.R. or C.P.R. Trucks will also be available at reasonable rates.

TERMS—Terms of sale are cash. Cheques will be accepted.

LUNCH—Lunch will be available at the farm.

INSURANCE—E. R. Henderson, Saskatoon, will represent Lloyds of London Livestock Insurance and all purchases may be insured to full value against death from any cause, including transportation accidents.

GRASSWOLD BOMBARDIER X—Reference Sire

Now being used in the herd of Clifford R. Hunter, Kenton, Man.

The sire was first used by Walter Larson, President, American Polled Shorthorn Society, Carrington, North Dakota. He was imported by Harvey Wilson, Glenora, Man., who used him for three breeding seasons and the bull was then repurchased by Mr. Larson. Ernie Henderson saw the grandsire last year at eleven years of age and describes him as an active, youthful bull and a very outstanding individual. He was a champion at Chicago in his show days. The dam of OAKLYNN REGENT X is a terrific cow—an outstanding show cow. The bull himself is considered to be an excellent individual by the livestock men who have inspected him.
